1. Scope and Application

1.1 This policy applies to: Hove Village Day Nursery Ltd RP905848

Bloomsbury on the Beach (Ofsted ID: 2739436)

Bloomsbury Street Day Nursery (Ofsted ID: 2677115)

Hove Village Day Nursery Ltd (Ofsted ID EY492059)

1.2 This policy applies to all employees, including directors, apprentices, casual workers, whether on permanent or temporary contracts (collectively '**staff**'). This policy does not form part of any contract of employment or consultancy agreement and Hove Village Day Nursery may amend it at any time. This policy does not include agency workers, consultants or contractors except where otherwise stated.

2. Policy Aims

2.1 This policy aims to:

2.1.1 clarify the nature of offsite babysitting arrangements;

2.1.2 ensure that professional boundaries are maintained alongside these private arrangements;

2.1.3 ensure confidentiality;

2.1.4 maintain staff professional standards and safeguarding requirements; and

2.1.5 establish a mechanism for Hove Village Day Nursery to record informed parental and staff consent to such arrangements.

2.2 Hove Village Day Nursery nurseries do not provide out-of-hours babysitting services; however, we are aware that parents/carers ('**parents**') often go to practitioners for out of hours childcare. This policy outlines the responsibilities placed on parents and staff that choose to engage in offsite babysitting. It is important for us to establish boundaries and expectations of both parties when making this decision. Please refer to the Safeguarding and Child Protection Policy in addition to this Policy.

3. Key Expectations and Responsibilities

3.1 It is up to the individual member of staff to decide whether they wish to babysit for the children from Hove Village Day Nursery nurseries in their own time. This arrangement is to be made with that member of staff and the parent outside of the staff member's working hours only.

- 3.2 Offsite babysitting arrangements must not interfere with the operation of the nursery. If there is such an interference, this will be discussed with the staff member in line with our Grievance and Disciplinary Policy.
- 3.3 Hove Village Day Nursery will not be responsible for any private arrangements or agreements that are made, or for any issues that may arise from them. However, we do expect staff members to inform us if they are babysitting a child that attends a Hove Village Day Nursery outside of the setting.
- 3.4 All staff are contractually bound by duties of confidentiality and must observe data protection law and are therefore unable to discuss any issues regarding the nurseries, other staff members, parents or other children in the course of the private arrangement.
- 3.5 We have rigorous recruitment and suitability processes in place to ensure that we employ competent and professional members of staff and uphold our duty to safeguard children whilst on our premises and in the care of our staff. This procedure includes interviews, references, employment history and DBS checks as well as several other processes (please see our Safer Recruitment Policy for more details). Whilst in our employment, all staff are subject to ongoing supervision, observation and assessment to ensure that standards of work and behaviour are maintained in accordance with our policies; however, we have no such control over the conduct of staff outside of their position of employment. Parents should make their own checks as to the suitability of a member of staff for babysitting.
- 3.6 Parents should be aware that other adults accompanying the babysitter may not have the relevant DBS clearance, and it may not be appropriate for them to care for children.
- 3.7 We will not take responsibility for any health and safety issues, conduct, grievances or any other claims arising out of the staff member's private arrangements outside of nursery hours. The member of staff will not be covered by Hove Village Day Nursery' insurance whilst babysitting as a private arrangement.
- 3.8 Hove Village Day Nursery has a duty of care to safeguard all children attending the setting. If a staff member has some concerns for a child following a private childcare arrangement, they are obliged to pass these concerns on to the Designated Safeguarding Lead within the setting in accordance with the Safeguarding and Child Protection Policy.
- 3.9 It will be the staff member's responsibility to ensure they have the appropriate insurance, MOT and child restraints or child safety seats if they are transporting the child in a car.
- 3.10 Where a parent and a staff member have agreed that the staff member will collect the child from nursery, normal collection protocols must be followed in line with our Missing Child and Late Collection Policy. Please note that the staff member cannot be listed as an emergency contact for the purposes of compliance with the Missing Child and Late Collection Policy.
- 3.11 We require the staff member and parent to sign a copy of this policy, which we will keep on file for the child and staff member (please see Annexure 1).

- 3.12 Staff members who fail to comply with these requirements will be in breach of their terms and conditions of employment. This may result in disciplinary action under the Grievance and Disciplinary Policy.
